## COOL SPOOL SYSTEM | LAV-HDTK

Liberty's exclusive Cool Spool cable packaging solution consists of three standardized reel/boxes to accommodate a variety of cables - Category 5e/6, RG59/6 coax, mini-coax and speaker cable.

The unique reels incorporate adjustable braking end stands for tangle-free cable pulls. The reels can be used stand alone or mounted in a rugged, double wall cardboard box dispenser for multiple use. A versatile hand truck is also available for transporting cable and other materials on and off the job site. It can be easily converted to an adjustable cart that may be used in various positions to facilitate vertical or horizontal cable pulling.

### Cool Spool System Reel Box:

- Double strength rugged boxes
- Easy-pull
- Tension control reel with handle for total control
- 3 standard sizes
- Multiple dispensing slots

### Cool Spool System Versatile Hand Truck:

- One simple design for transporting Cool Spool System boxes or any other equipment and tools needed for the job
- Versatility - may be used as hand truck or cart
- Extendable frame
- Extended toe plate
- Dual braking wheels
- Pneumatic tires

**ONE SIMPLE HAND TRUCK DESIGN ACCOMMODATES ANY TYPE OF INSTALL!**

VERTICAL TRANSPORT

TRANSFORMS TO A  
HORIZONTAL CART

EXTENDABLE TOE FOR  
LARGER ITEMS
