PASS-THROUGH WALL PLATE KITS

HDMI Passive Wall Plate and Connectivity Kit

EDU-1H-(distance)

35 Feet: EDU-1H-035 / 50 Feet: EDU-1H-050
75 Feet: EDU-1H-075

KIT INCLUDES:

- Single-gang aluminum wall plate with single HDMI input on a 6" "pigtail"
- HDMI cable for source to wall plate
- Plenum HDMI cable from wall plate to display

HDMI and USB Passive Wall Plate and Connectivity Kit

EDU-HU-(distance)

35 Feet: EDU-HU-035 / 50 Feet: EDU-HU-050
75 Feet: EDU-HU-075

KIT INCLUDES:

- Single-gang aluminum wall plate with single HDMI input on a 6" "pigtail" and plate-mounted USB full-speed extender.
- HDMI cable for source to wall plate
- Plenum HDMI cable from wall plate to display
- USB cables
- Cat5e cable from USB transmitter to receiver

HDMI and VGA w/audio Passive Wall Plate and Connectivity Kit

EDU-HV-(distance)

35 Feet: EDU-HV-035 / 50 Feet: EDU-HV-050
75 Feet: EDU-HV-075

KIT INCLUDES:

- Single-gang aluminum plate with HDMI input on 6" "pigtail"
- VGA input and 3.5mm audio input.
- Includes HDMI, VGA, and audio cables for both source to plate and plate to display
- Plate-to-display cables are plenum rated

HDMI, VGA, and USB Passive, with Audio Passive Wall Plate and Connectivity Kit

EDU-HVU-(distance)

35 Feet: EDU-HVU-035 / 50 Feet: EDU-HVU-050
75 Feet: EDU-HVU-075

KIT INCLUDES:

- Double-gang aluminum plate with HDMI input on 6" "pigtail"
- VGA input, 3.5mm audio input, and plate-mounted USB full-speed extender
- HDMI, VGA, USB, Cat5e, and audio cables for both source to plate and plate to display
- Plate-to-display cables are plenum rated

Dual HDMI, Audio and USB Passive Wall Plate and Connectivity Kit

EDU-2H-(distance)

35 Feet: EDU-2H-035 / 50 Feet: EDU-2H-050
75 Feet: EDU-2H-075

KIT INCLUDES:

- Double-gang aluminum plate with 2 HDMI inputs on 6" "pigtail"
- 3.5mm audio input and plate-mounted USB full-speed extender
- HDMI, USB, Cat5e, and audio cables for both source to plate/ plate to display
- Plate-to-display cables are plenum rated

HDMI, VGA and Dual USB Passive Wall Plate and Connectivity Kit

EDU-HV2U-(distance)

35 Feet: EDU-HV2U-035 / 50 Feet: EDU-HV2U-050
75 Feet: EDU-HV2U-075

KIT INCLUDES:

- Double-gang aluminum plate with HDMI input on 6" "pigtail"
- VGA input, 3.5mm audio input, and 2 plate-mounted USB full-speed extenders
- HDMI, VGA, USB, Cat5e, and audio cables for both source to plate and plate to display
- Plate-to-display cables are plenum rated

HDMI (2x), USB, and Data Passive Wall Plate and Connectivity Kit

EDU-2HU-(distance)

35 Feet: EDU-2HU-035
50 Feet: EDU-2HU-050
75 Feet: EDU-2HU-075

KIT INCLUDES:

- Double-gang aluminum wall plate with 2 HDMI inputs w/ 6" "pigtails"
- Plate-mounted USB full-speed extender and RJ45 pass-through network jack
- HDMI, USB, Cat5e cables from source to plate and plate to display
- Plate-to-display cables are plenum rated

ACTIVE 4K WALL PLATE KITS

Digitalex HDMI w/ Audio HDBaseT Extension Classroom Connectivity Kit

EDU-HA-4K-(distance)
35 Feet: EDU-HA-4K-035
50 Feet: EDU-HA-4K-050
75 Feet: EDU-HA-4K-075

KIT INCLUDES:

- Single-gang decora-style HDMI and audio wall plate extension set
- HDMI, audio, and shielded Cat6 cables for source to plate, plate to receiver, and receiver to display
- Extend signals up to 70m with resolutions up to 4K

Intellex HDMI/VGA Auto-Switching Wall Plate with VGA Scaling and HDBaseT Output

EDU-HV-4K-(distance)
35 Feet: EDU-HV-4K-035
50 Feet: EDU-HV-4K-050
75 Feet: EDU-HV-4K-075

KIT INCLUDES:

- Single-gang aluminum wall plate with single HDMI input on a 6" "pigtail" and plate-mounted USB full-speed extender.
- HDMI cable for source to wall plate
- Plenum HDMI cable from wall plate to display
- USB cables
- Cat5e cable from USB transmitter to receiver

Digitalex HDMI w/Audio and High Speed USB Interactive Display Connectivity Kit

EDU-HU-4K
35 Feet: EDU-HU-4K-035
50 Feet: EDU-HU-4K-050
75 Feet: EDU-HU-4K-075

KIT INCLUDES:

- Kit includes single-gang decora style HDMI, USB2.0 High Speed, and audio wall plate extension set.
- Also includes HDMI, USB, audio, and shielded Cat6 cables for source to plate, plate to receiver, and receiver to display.
- Extend signals up to 70m with resolutions up to 4K and connect up to 2 USB client devices

Two Input HDBaseT Wall Plate Kit with USB-C

EDU-HU1-4K-(distance)
35 Feet: EDU-HU1-4K-035
50 Feet: EDU-HU1-4K-050
75 Feet: EDU-HU1-4K-075

COMING SOON!

KIT INCLUDES:

- Single-gang decora-style HDMI, USB-C, and audio wall plate extension set
- HDMI, USB, audio, and shielded Cat6 cables for source to plate, plate to receiver, and receiver to display
- Extend signals up to 70m with resolutions up to 4K
- Connect up to 2 USB client devices

Digitalex HDMI, VGA and USB 2.0 Extender Set with Display Control

EDU-HVUC-4K-(distance)
35 Feet: EDU-HVUC-4K-035
50 Feet: EDU-HVUC-4K-050
75 Feet: EDU-HVUC-4K-075

KIT INCLUDES:

- Double-gang decora-style HDMI, VGA w/ audio, and USB2.0 high-speed auto switching plate extension set.
- HDMI, USB, VGA, Audio, and shielded Cat6 cables for source to plate, plate to receiver, and receiver to display
- Auto switch and extend signals up to 100m with resolutions up to 4K
- Connect up to 4 USB client devices
- Integrated display control can power on/off connected display automatically

Digitalex Three HDMI, audio, and USB2.0 Extender Set with Display Control

EDU-3HUC-4K-(distance)
35 Feet: EDU-3HUC-4K-035
50 Feet: EDU-3HUC-4K-050
75 Feet: EDU-3HUC-4K-075

KIT INCLUDES:

- Double-gang decora-style 3 HDMI, audio, and USB2.0 high-speed auto-switching plate extension set
- HDMI, USB, VGA, audio, and shielded Cat6 cables for source to plate, plate to receiver, and receiver to display
- Auto switch and extend signals up to 100m with resolutions up to 4K
- Connect up to 4 USB client devices
- Integrated display control can power on/off connected display automatically

All Digitalex and Intellex electronics covered by Liberty AV Solutions 5 year advance replacement warranty.
