PRE-CONFIGURED CONFERENCING SYSTEMS

Take Conferencing and Collaboration to the Next Level

- Transform meeting rooms, classrooms, huddle spaces, collaboration spaces, and more
- 'One-touch-to-join' collaboration
- Customize the entire collaboration environment to meet the needs of the space
  with a complete offering of **technology, displays, furniture, and support**

Why Choose 'ROOM WITH A SKU' Unified Communication Bundles?

ORDER ONE
Order one single SKU to receive the entire install in one easy-to-deploy bundle:
Software, hardware, support, even the furniture!

EASY SETUP
Each pre-configured 'Work from Anywhere' solution is designed around compatibility
and simple, plug-and-play setup.

ALL-IN-ONE SOLUTIONS FOR EVERY LEVEL
All necessary hardware requirements are included in one convenient package. From
associate personnel up to senior-level executives, there is a system designed for every
need. Customization also available for unique needs.

DESIGNED FOR VIRTUAL MEETINGS
Each system is designed for optimized virtual meetings, providing both quality
video and sound with the convenience of hands-free flexibility.

ADVANCED TECH SUPPORT KEEPS WORKFORCE WORKING
Included, third-party tech support provides setup assistance and alleviates unnecessary tech
support calls, saving time for the end user and eliminating strain on in-house IT resources.

EASY TO PURCHASE & DEPLOY

- Simply order one SKU, receive everything in one, complete, easy-to-deploy bundle. Software, hardware, support, even furniture... it's all included
- Simple instruction
- Consolidated packaging to eliminate waste
- High-quality components, fully tested with the latest firmware
- Fully compatible with major web-based video conferencing platforms

FULLY SCALEABLE

- Standardize systems across your entire organization
- Simplifies technical support - reduces the number of potential product model numbers in use across the organization to eliminate technical guesswork and increase product familiarity

FULLY SUPPORTED

- Live Support: Instant face-to-face video setup assistance
- 1-year warranty with 48-hour advanced replacement
- Extendable service terms

OPTIONS TO MEET YOUR NEEDS

- Customizable solutions
- Enhanced support and training options available via CXPoint

PEACE OF MIND: PRE-TESTED AND PRE-CONFIGURED

- Designed and tested for optimized performance
- Ensure the space is ready, working, and waiting: Ask about available support solutions to ensure investments are proactively working. Before walking into the room, before the presentation begins, the class starts, or you're ready to entertain... your space will be waiting for you.
