REDUCE THE SPREAD OF GERMS AND VIRUSES

In a world of viruses and bacteria, NoviSign Digital Signage launches new specially designed digital signage hand sanitizer kiosks that dispense 99.99% germ-killing sanitizer gel.

The new line of sleek free-standing and wall mountable hand sanitizing systems ship plug and play, ready to go! The hand sanitizing kiosks come equipped with an internal auto-dispenser that dispenses gel, foam or liquid sanitizer, and feature a sturdy metal enclosing that is designed to withstand public settings. The built-in commercial grade 21.5" display allows organizations to easily display any combination of announcements, advertisements, videos, slideshows, and media.

Hand sanitizing kiosks are the perfect solution for high-traffic public locations such as:

- Hospitals, medical clinics, and dentist offices
- Grocery and retail stores
- Commercial buildings and malls
- Gyms and health centers
- Hotels and resorts
- College campuses and schools
- Local government buildings
