INSTALLATION SUPPLY CENTER (ISC)

Day-to-Day Supply Needs... Fulfilled!

Eliminate Wasted Time and Cost Around Supplies

Save 15-30 Hours a Month by Cutting Consumable Ordering Time in Half. Order and replenishment of consumables and miscellaneous supplies used daily by integrators takes an average of 1-2 hours a day. Imagine cutting that time in half... that would reduce time spent by nearly 270 hours annually!

Say Goodbye to Those Last-Minute Supply Runs

Run out of supplies on the job because they are not managed properly? Time for a last-minute supply run! Now you're behind schedule and paid extra for not being on the job.

There's a Better Way

Enter the Installation Supply Center (ISC)... a time and money saving solution to these day-to-day supply problems.

- **Cut Ordering Time in Half:** The Installation Supply Center (ISC) simplifies this process and reduces ordering time by nearly 50%, saving an average of 270 hours per year.
- **Supplies On Hand, When You Need Them:** Cut out last-minute supply runs that increase supply spend and put you behind schedule.

The Installation Supply Center (ISC) Features:

- **Huge Selection:** Pick and choose supplies from over 1,000 different products in various product categories
- **Backed by the Power of WESCO:** Utilizes the full Wesco Distribution's product catalog
- **Quickly and efficiently help you identify and order all your consumable supplies with a single PO.**
- **Fast, efficient, and user-friendly order management system**

“Having the ability to order daily install consumables (tape, Velcro, zip ties, etc) through our Liberty AV portal saves us an enormous amount of time and effort. Coupled with being the best value, the savings have really stacked up for us. Quite a positive and profitable impact for each of our regional offices.”

— John H, Regional Vice President
