## Custom RackMate™ Header Panels

Custom RackMate™ Header Panels designed and manufactured by PanelCrafters™ are the perfect choice to show the quality and pride that went into your custom installations. These permanent calling cards make it easy for your customer to contact you for future projects and upgrades.

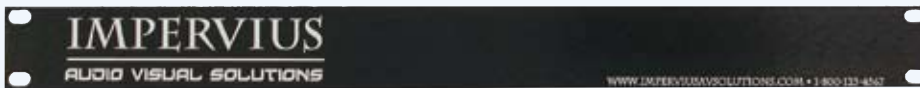

They let anyone who sees them know you're proud of the work you do. These single-rack space panels are available in the Classic, Image and DCL Series. RackMate™ Header Panels are available up to a maximum size of 24" x 30".

### Classic Series

The Classic RackMate™ Header is brushed anodized aluminum or black anodized. Available with text or logos engraved or screen printed to your specifications.

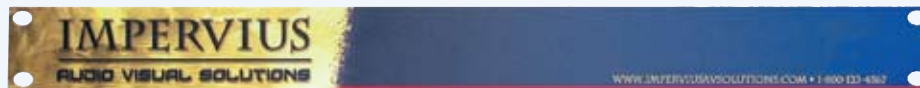

Brushed Aluminum  
Part # RHCC

Black Anodized  
Part # RHCB

### Image Series

The Image RackMate Header is a 1RU rack panel with text, logos and graphics screen or digitally printed on .010" polycarbonate. Provide your own graphics or let our creative art department put something stunning together for you.

Screen or Digitally Printed  
Part # RHIM

Ordering is fast & easy.
