## MULTI-COLOR LED STRIP LIGHT

Harness the power of RGB lighting with our dynamic range of RGB LED lighting products. We have pioneered 5-in-1 and 6-in-1 LED strip light to provide you with color palettes never before available with lighting. We partner with your team and work with you to determine the best lighting options to make the biggest impact.

## DMX DECODERS

We have over 11 years of experience in creating lighting for specialty areas. We understand the intricacies of electrical regulations, UL Listing requirements and unique needs of specific applications. Our team is very knowledgeable and we will make sure you get everything you need to succeed.

## LED ACCENT LIGHTING

Add elegance and breathe new life into rooms with indirect light. Use monochromatic colored light to make a statement, or set the ambiance of an environment using white light. For a dynamic design, choose from our selection of tunable whites to control the color temperature of a space, or use RGB lighting for color-changing capabilities.

## OUR TEAM IS YOUR TEAM

Environmental Lights transforms environments with LED lighting technology by engineering our customers' visions into innovative solutions. Our team has extensive experience with projects of all sizes and we will work with you to ensure your project is a success.
